

POD PANEL

POD Panel is an acoustic-friendly add-on piece for POD rooms. Great acoustics is important not only inside the POD rooms but around them as well. Panels help you to create a cozy and sound-friendly working environment for your team. The panels are easy to attach and detach with their effortless fastening system, and they do not leave any traces on POD surfaces. They can also be used as a surfaces to attach notes, plans, and other sketches important for your team and their tasks.
