

STEP IN

STEP IN is a completely new kind of electric standing desk. It supports your standing position and posture in a fresh, revolutionary way. STEP IN electric standing desk can be precisely adjusted to the right height in which your forearms are supported naturally. As you lean against the movable back support attached to the table top, the pressure to your legs decreases.

TECHNICAL INFORMATION

Back support is removable.
Table has integrated electrical socket with USB charger.
The electric cord length for the STEP IN table solution is 3 m.
