

# INTO

the Nordic Silence

## POD OPEN - SEMI-OPEN WORKPLACE

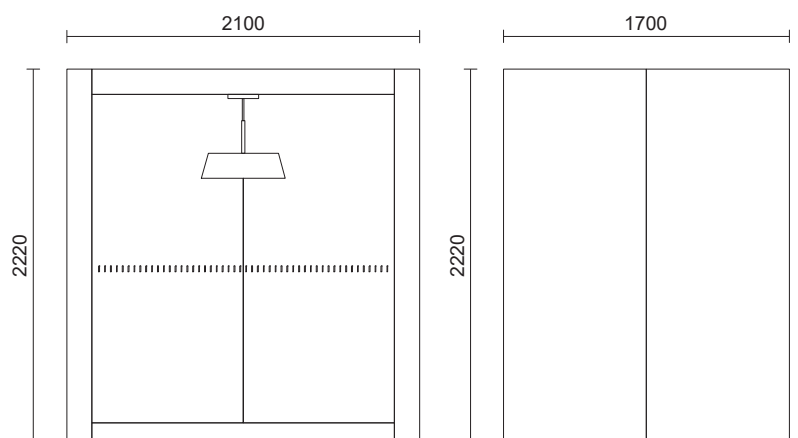

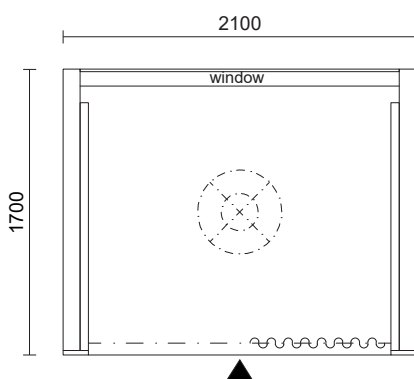

POD OPEN is a movable free-standing working room. Depending on the furniture solutions, it can serve 1-4 people. The space is floorless and therefore completely accessible. The walls and the ceiling are covered with acoustic panels. Sound-absorbing curtain provides privacy and peace of mind. POD OPEN is perfect for independent working as well as for quick team meetings.

### TECHNICAL INFORMATION:

One electrical socket on the wall. Fully automated lights with electronic motion sensors.

### MATERIAL INFORMATION:

Melamine frame. Acoustic panels on the ceiling and on the walls. Five color options for POD exterior, many acoustic panel and curtain color options.
