PLANT BOX - PLANT OPTIONS

PLANT BOX is available with different plant options.

SILVER VINE

SILVER VINE AND GOLDEN MAIRE

GOLDEN POTHOS

MAINTENANCE

Silver Vine and Golden Pothos:

Prefer bright indirect light and should not be placed in direct sun. Allow the top layer of soil to dry slightly between waterings. Feed lightly during the growing season from March to October. Regular pruning helps maintain healthy and strong growth.

Golden Maire:

Thrives in bright indirect light and should be kept away from direct sunlight. Keep the soil evenly moist, but avoid letting the plant sit in water or dry out completely. Feed lightly during the growing season from March to October. Enjoys occasional misting.
